

How to return an item

1. To request a return, follow the instructions on the despatch note sent with this parcel.
2. After confirming your items to return you will be given a returns number. Please write this in the space provided on this label.
3. Write your name, address and postcode on the returns label below.
4. Take the parcel and this counterfoil to a Post Office. The clerk will stamp the Proof of Posting which you should retain until the refund is received.
5. No returns will be accepted without a valid returns number.
